Teddy Bear Picnic (ages birth to 6)	Wednesday Jun 13 Rain date: Jun 20	10:00am-11:30am	Riverside Park Small Pavilion	Bring your favourite bear and join in all of the activities. Erick Traplin's interactive musical performance complete with bubbles, bubbles and more bubbles wraps up the morning.

As of January 2018, Ontario's children and families will have access to enhanced programs and services through EarlyON Child and Family Centres.

The new EarlyON centres will transform Ontario's four child and family programs by integrating them into one common system that offers a consistent set of core services across the province, as well as others tailored to local needs. The existing programs to be consolidated under the EarlyON umbrella are:

- **Ontario Early Years Centres**
- **Parenting and Family Literacy Centres**
- **Child Care Resource Centres**
- **Better Beginnings, Better Futures**

EarlyON Child and Family Centres provide opportunities for children from birth to 6 years of age to participate in play and inquiry-based programs, and support parents and caregivers in their roles. These centres will offer safe and welcoming environments open to all families across Ontario, with qualified professionals and quality programs. Families and caregivers will be able to find support, advice, make personal connections and access a network of resources.

In Guelph and Wellington, this new work builds upon the current services being delivered by Guelph CHC and our Ontario Early Years Centre with gradual changes to services and programs commencing January 2018. We will continue to keep you informed of any changes or new announcements during this multi-year transition process.

Eligibility for Programs Unless otherwise stated children are eligible for all programs up to December 31 of the year they turn 6. Programs are open to all parents regardless of age. Caregivers must be 18 years or older. There is a maximum of 5 children per adult for drop-in programs.
