

## Guelph Community Health Centre is seeking Board Members!

Are you a Guelph or Wellington County resident who is passionate about engaging in and responding to the needs of our community? Are you prepared to identify, name and confront inequity, and work toward a vision of a community without barriers to health and wellbeing? The Guelph Community Health Centre (Guelph CHC) is seeking candidates for our board of directors and board committees.

As a community governed primary health care organization, the Guelph CHC is seeking Directors who:

- Have the skills and expertise to support good governance
- Reflect the diversity of our community

In accordance with our commitment to diversity, equity and inclusion, as well as our commitment to community governance - where our Board reflects the communities that we serve - we strongly encourage applications from the following priority groups:

- Indigenous communities, including First Nations, Inuit and Métis
- Black Indigenous People of Colour (BIPOC) community members
- Newcomers to Canada with English as a second language
- Individuals with disabilities
- People who identify as LGBTQ2+
- Individuals with lived experience of, or expertise in, homelessness, poverty, dealing with mental health, or addiction issues

Applicants must reside and/or work in Guelph or Wellington County.

Board members are appointed for a three-year term. An orientation session is provided and opportunities for governance education are offered. Directors are expected to spend 8-10 hours monthly on board and committee work. The board meets the first Wednesday of each month in the evening.
